We require a **deposit of 50% to be paid 2 months in advance of your visit** in order to reserve dates, purchase materials, organize events and activities, and arrange homestays for your party. In high season, groups often apply for the same weeks, so please RSVP as soon as possible to secure your trip. We will not be able to accommodate more than two groups in the same week.

Homestays are organized with local CEC families in the zone. All families are experienced in hosting young, American students and all homes are checked to ensure cleanliness, comfort, and an overall good experience with warm, loving people. Homestays provide 3 meals per day (lunch packed to take to school), laundry once per week, and a private room for their guests. Homestays receive \$15 per day for hosting a CEC student.

Please contact Bethany Romano, the Program Coordinator by email (opportunities@cloudforestschool.org) to begin organizing your visit to the Cloud Forest School. We look forward to seeing you here in Monteverde!
